UPDATED BUSINESS LICENSE LAMINATED CARD

Dear Licensee:

The Clark County Business License Department is publishing this notice to inform licensees holding a Driver DRI – Independent Contractor license that starting with the annual renewal cycle of November 1, 2018, a new color-coded business license laminated card will be provided along with a paper copy of the license permit at no additional cost to the licensee.

The new business license laminated card must be visible in any vehicle used for transportation and is to be posted on the inside lower right of the vehicle windshield. For those drivers conducting business at McCarran International Airport, transportation authorities will require all drivers to display the current, unexpired business license laminated card to obtain entrance to the airport pick-up and drop-off facilities.

In the event that the business license laminated card is lost or not received, licensees must come into the Clark County Business License Department and pay \$5.00 for a replacement business license laminated card to be reissued. The business license laminated card will be sent by mail to the last known address on record and should be received within 7 to 10 business days.

If you have any questions, please contact us at (702) 455-3557 or email the business license department at PaymentInfo@clarkcountynv.gov.

Sincerely,

Jacqueline R. Holloway, Director
